

US Marines – Coaster

Holes: 31 w by 31 h, Sized for a coaster

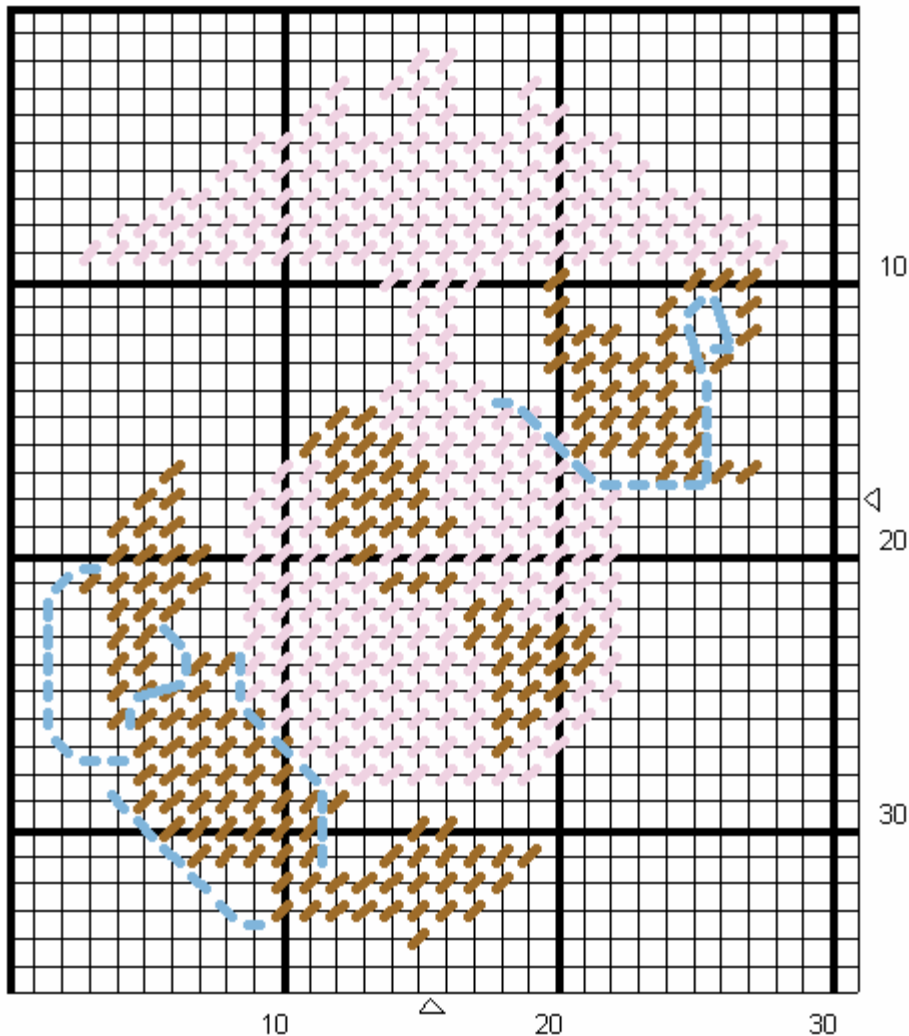

Colors:

Brown, White (pink on chart), White or another color (blue on chart)

Suggestions:

For the “blue” stitched (on chart), can use a different texture as this is a “rope” that is wrapped around the anchor. A gold or silver rope or thread might look nice. I would stitch is loosely so that it looks more like a rope.
